February 10, 2010

The Honorable E. Benjamin Nelson
United States Senator
720 Hart Senate Office Building
Washington, DC 20510-2706

Dear Senator Nelson:

I am writing to encourage you to support Faith Regional Health Services, Norfolk, Nebraska in their effort to pursue federal appropriations for Fiscal Year 2010. I believe their plan for use of funds would provide for expanded regional services for healthcare in Northeast Nebraska.

Because of the location of Faith Regional Health Services, they are in an ideal position to extend its technological capabilities to the rural hospitals and clinics. The rural hospitals and clinics would provide access to the most advanced medical imaging technology, immediate access to medical history, test results and tele-assessments. The current technology being used is becoming inferior.

With congressional funds available to assist in offsetting the costs of these projects, I support and encourage your consideration of Faith Regional Health Services, Norfolk, Nebraska for federal appropriations.

Thank you.

Sincerely,

Doug Johnson
President
