The Honorable Ben Nelson
United States Senate
720 Hart Senate Office
Washington D.C. 20510

Dear Senator Nelson:

It was a pleasure meeting with you last week. We appreciate your time, thoughtful questions and your on-going support of our programs here in Nebraska and across America.

Thank you for your willingness to consider our FY2011 request for \$250,000 to Boys Town in Omaha, Nebraska for expansion and integration of the Boys Town's Day School program and our In-Home Family Services program. These funds, if approved, will increase the number of at-risk girls, boys and families we will be able to serve in Nebraska.

As always we would welcome you and/or your staff to visit the Village of Boys Town anytime you are in Nebraska or our Boys Town Washington D.C. location. If such a visit ever fits your or your staff's schedules, just contact Jerry Davis and he will make all the arrangements. We would be delighted to show you how our programs are helping set so many young people and their families on the road to successful, productive lives.

Boys Town, with over 90 years of experience in child-care, is always ready to assist your office with information about best practices in the child-care field. Please do not hesitate to contact either of us if you have questions regarding our request.

God Bless,

Father Steven Boes
National Executive Director
