Honorable Senator Ben Nelson  
440 North 8<sup>th</sup> Street  
Suite 120  
Lincoln, NE 68508

Dear Senator Nelson,

Nebraska City Tourism and Commerce enthusiastically supports the Missouri River Basin Lewis & Clark Center's request for Federal/National Park Service resources.

We are proud to support the Center's efforts to expand tourism and educational opportunities in our region. As you may know, no other museum or interpretive center in the nation, existing or planned, focuses on the Lewis & Clark expedition's amazing scientific discoveries. Their mission is a sound enhancement of our community's continued economic vitality.

We encourage you to carefully consider their proposal.

Sincerely,

Rebecca Turner  
Executive Director
